

2 BDRM | 2 BATH | 1525 SQ FT

WIND BUILDING - APT #106

THE CURRENT  
OF THE FOX | *Wrightstown*

Enter directly from an attached garage or through a secure hall space into a wide foyer with a walk-in closet housing the washer and dryer. Continue on in this gorgeous apartment and be mesmerized by spectacular views of the Fox River from the great room, flooding with plenty of natural light. The great room extends outside with a massive nineteen-foot patio overlooking the water. The vast amounts of space in this open-concept two bedroom apartment offers flexible dining and great room options. An exquisite kitchen is centered around a granite-top eat-at island that perfectly anchors the kitchen and offers versatility for furniture layouts. An incredibly expansive bathroom offers a tub/shower combination and an attached walk-in closet leads to the master bedroom (enter alternatively through the open living space). The spacious master bedroom is highlighted by a wall of oversized windows, illuminating the room with stunning waterfront views. Make your way upstairs to find a spacious second bedroom, equipped with another large bathroom containing a shower with a bench seat

and a walk-in closet. Beautiful hardwood-style floors and nine-foot high ceilings showcase throughout round out this spectacular first floor two bedroom.
